

YOU SPOKE, WE LISTENED!

Beginning with your next billing statement, you will find an envelope containing your bill from Warren County Water & Sewer Department in the mail rather than the postcard bill you are accustomed to seeing. Inside the envelope you will find a full page statement, explanation of the new statement and a return envelope for making your water and sewer payments. If you have any questions or concerns please reach out to our department by phone at 513-695-1377, by email waterdept@co.warren.oh.us, or on Facebook or Twitter. Click on the link below for a sample your new bill.
